Through a passion for underground dance music like House and the 80s-90s Hip Hop / RnB scene, Dr. P first started playing music in high school as part of a DJ duo, The Spin Doctors, in 1997.

The duo immersed themselves in music and DJ culture; spending hours listening to mix-tapes from DJs and radio stations in the U.S, Europe and South Africa, playing at school dances and house parties until getting their debut club-gig at Eswatini's dance mecca, Sibebe, in 2001.

Since then, Dr. P has gone on to rock clubs, festivals and dancefloors in Eswatini, RSA, Canada, US and Europe with a 'party-rock' style; effortlessly going from styles and sounds according to crowds and mood, playing with acts like Jazzy Jeff, Kaskade, Jay Tripwire, Iz and Diz, Moses Mayes, Ben Watt, DJ Fresh, Christos, Vinny, Iggy Smallz, Ready D, Black Coffee and events like Miami WMC, Bushfire Festival, Winnipeg Jazz Fest, Peg City Holla, Much Music Fest, Southport Weekenders, raves and many underground parties.

Dr. P lists artists and DJs like, Larry Heard, Frankie Knuckles. Masters at Work, David Morales, DJ Clue, Funkmaster Flex, Tim Westwood, Wu-Tang, 90's East and West Coast Rap or R'nB, early Kalawa, Tim White, Christos as some of his major influences, just to name a few...
